Approved by Governors 3/15/2014

PREAMBLE

This document is intended to clarify and document the rules and operating procedures of the Roadrunner Region of the National Council of Corvette Clubs, Inc. (NCCC). The rules and guidelines contained herein will permit the operation of the Region in a consistent and uniform manner. Procedures of the Region will not be in conflict with the NCCC By-Laws or the NCCC Sanctioned Competition Program Handbook (aka Rule Book).

ARTICLE I - NAME

The name of the organization will from this time forward be known as the ROADRUNNER REGION, and herein referred to as the Region.

ARTICLE II - OBJECTIVE

The Region and its member clubs are organized to promote interest in Corvette automobile ownership and operation. To that end, the Region and its member clubs will collect and disseminate Corvette-related information to its members and all interested parties. Other information relative to automotive events such as Car Shows, Rallyes, Drag Races, Matching Times contests, Economy Mileage Runs, Caravans, and Autocrossing will also be disseminated to assist Region clubs and their members in holding events to promote the variety of interests available to Corvette enthusiasts, past, present, and future. Information concerning the club's and Region's various events will be made available at regular club and Region meetings, as well as at individual club-hosted events. Roadrunner Region club events will be made available to club members, and the general public with Corvette automobile interests as appropriate.

The Region will be operated under the guidelines of the NCCC By-Laws and Rule Book. The Region By-Laws and Standing Rules further identify and clarify processes specific to the Region and apply to the Region's clubs and their members.

The REGION will be operated as a non-profit organization and hereby adopts the By-Laws contained in this document.

ARTICLE III – MEMBERSHIP

Section 1 - Policy

Individual CLUB membership will comply with the NCCC By-Laws. Club membership in the Region will be by request and afforded to any NCCC club in good standing at the national level.

Section 2 - Location

Region member clubs and clubs requesting membership in the Region must maintain their designated Home City within the boundaries set forth by NCCC in the current Sanctioned Competition Program Handbook, or as approved by the NCCC Board of Governors.

ARTICLE IV – BOARD OF GOVERNORS

Section 1 – Definition

The Governors of each club within the Region constitute the Board of Governors (Board) for the Region. Each Governor will have one (1) vote at all meetings of the Regional Board of Governors. The elected officers of the Region will also be members of the Board of Governors and have one (1) vote at all Region meetings.

Section 2 – Meetings

Regular meetings of the Board will be held quarterly at a time and place announced by the Regional Executive (RE). Where practical, at least one meeting per year will be held in each state in the Region. The RE, as required to conduct Region business, may call special meetings of the Board. Written or electronic notices of regular or special meetings will be provided to Board members at least forty-five (45) days prior to the date of such meeting, accompanied by a meeting Agenda. The meeting will be held at a convenient location and time, and is encouraged to be held in conjunction with a sanctioned event. These meetings will be open to any NCCC member, but only Board members or their authorized representative may vote.

Section 3 – Attendance

Region clubs should make every effort to be in attendance at all Region and National meetings. Attendance by a club may be by the Governor, a club member acting as the club's authorized representative, or through an electronic or written Proxy provided to the RE in advance of the meeting. A club's authorized representative will have the same voice and rights as the Governor providing that the authorized representative is a member of NCCC and the Roadrunner Region club being represented. Unstipulated proxies will be counted toward a quorum but will be considered an abstention for voting purposes (see Section 4). (11/13)

Section 4 – Proxies

Each region member club will provide the RE with proxies to represent them at national and regional NCCC meetings. National and/or Regional proxies will be prepared and sent to the RE in accordance with NCCC rules for electronic submissions. If not submitted electronically, paper proxies will be completed following NCCC rules for preparing proxies and mailed to the RE. The proxies will be used by the RE only if the club is not represented by its Governor or proxy governor at the national or regional meeting. In its proxy, the club may stipulate that the proxy is to support attendance only, or allow the RE to vote in their stead. Proxies are due before the beginning of the calendar year. (1/14)

Section 5 - Quorum

One-third of the then duly elected Governors or club representatives constitute a quorum for the transaction of business. Regional officers do not count toward a quorum. If a majority of the Board consent in writing to any action taken at a meeting without a quorum present or without a meeting being called, such action will be a valid regional action as though it had been duly authorized at a meeting of the Board

Section 6 – Compensation

No Governor will receive any compensation from the Region for services as a Governor, except for reimbursement of out-of-pocket expenses related exclusively to Region business and if approved by the majority of the Board.

Section 7 – Duties

The duties of the Region Governors as members of the Board, in addition to those listed in the NCCC By-Laws, include:

This distribution will be completed no later than September 1 of the election year. Club responses by E-mail or USPS Mail with their votes for each officer position are due back to the Region Secretary no later than October 15 of the election year. A simple majority (one vote per club in attendance and in good standing) is required to elect the replacement Region officer. Ties will be broken by the Executive Board.

Section 7 - Reimbursement of Expenses

Reimbursement for expenses incurred by Region officers, Governors, or members must be approved at the regularly scheduled Region meeting immediately after the expense claimed is made.
