

National Council of Corvette Clubs

Roadrunner Region Regional Executive Report

1st Quarter 2019

Roadrunner Governors and Officers

March 1, 2019

First I'd like to remind everyone of several items that were discussed at our 1st Quarter Governors Meeting on Jan. 20th at the Desert Diamond Casino in Tucson. Pat Jenkins of CCA was asked if she would remain as the permanent secretary and she graciously accepted the appointment. Thank you, Pat!

We reviewed the success of the Kickoff Event and the Governors were asked to go back to their clubs and solicit a volunteer to host the 2020 Event. I am very happy to report that we do have a club which is interested. More information to follow!

All governors were asked to send updates on club events and charitable donations to me for the Blue Bars articles, and RMD Ron Scott asked that all charitable contributions be entered on the form on the NCCC website. Ron also gave instructions on how to fill out the form.

Treasurer Debbie Marple reported on our bank balance and brought up the matter of whether all major events of clubs (sanctioned or not) should be listed on our Regional website. The decision was made to make this information available in this manner so that more clubs would be encouraged to support each others' events.

The 2nd Quarter Governors Meeting will be via teleconference on April 10 at 6 PM.

At the Feb. 22 National Meeting in St. Louis, I am happy to report that I was able to provide the NCCC Secretary with proxies from all of our governors! This is an important matter as it ensures that every club in the region has a vote.

Financially, the NCCC budget is in the black, and it was announced that due to the intricacies of states' gambling laws, the selling of NCM raffle tickets will have to be suspended for now for all states except Kentucky.

Our NCCC IT Director has updated the Members Only password, and he is endeavoring to make sure all email addresses are updated. Our Charity/Sponsorship Chair repeated the request that all clubs making charitable contributions report it on the NCCC website.

Back here in our Roadrunner Region, we already have several events coming up throughout the region. I urge everyone to get their events listed on our website as soon as dates are set so that we can do our best to support each other.

As always, Save the Wave!
