

National Council of Corvette Clubs

Barb Johnson

Roadrunner Region Executive

3rd Quarter 2019 Report

Roadrunner Governors and Officers,

First of all, I'd like to give a BIG welcome to our newest Roadrunner Governor, Rob Finfrock of the Rio Grande Corvette Club. As those of you who attended the 3rd Quarter Governors Meeting in Ruidoso, NM remember, Rob was there with us at that meeting. We're glad to have you join us, Rob – you are a welcome addition!

As was noted in the minutes distributed after that meeting, many reported being very happy with our 2nd Quarter Meeting being a teleconference. We will be re-visiting the idea of continuing that format in 2020 at our 4th Quarter Meeting.

Barb and Bob Johnson and Ron Scott all attended the National Meeting in St. Louis on Sept. 7 and 8. There are several items of information to share from that meeting:

- NCCC has added 500 new members since May, and 7 more clubs now have over 100 members. 2020 renewals may be added after Sept. 1st, and must be sent to the RMD (Ron) by Oct. 31st. As Ron will be out of town the last week in October, we will be sending out a message to all the governors who have not completed their renewals by the date of his leaving that they will need to send them (along with the checks) to me. All members will receive their new membership cards in January, and the governors were reminded to make sure all new members have filled out the NCCC Application Form.
- There was also clarification on applications for lifetime membership in NCCC. If an individual joins a club and wants lifetime membership right away, the fee is \$335. If a current member of a club wishes to change to lifetime membership, the fee is \$300. If the spouse also wants a lifetime membership, the fee to cover both is \$600, and the spouse is now also viewed as a primary member.
- We were given a reminder that the GM trademark may not be used by clubs in any way without permission from GM.
- The 2019 Convention was a huge success, with a profit of \$21,600. A report was given on 2020 Convention updates, and IT Director Walt Jenkins has

already started on Convention Registration. In addition, a bid was made by the East Ohio Region to host the 2021 Convention.

- Past President Dave Heineman gave a report on the NCCC presence for the NCM Caravan. The NCCC tent had a huge number of visitors, and 8 clubs took applications to join various regions (1 has already joined), and many others took information about the benefits of joining.
- Nominations were made for 4 of the NCCC Board positions, and the voting ballots will go out soon for all governors to vote electronically.

In other news for our region, we have our upcoming 4th Quarter Governors Meeting in October in conjunction with the Verde Valley Vettes Car Show and Rally. The flyer is on the Roadrunner website, and I'd really encourage as many of you as possible to attend. We attended last year and had a wonderful time! It begins on Saturday, Oct. 12th, with a PC Car Show held at C's Burgers in Cornville. That afternoon will be the Governors Meeting – at 2:00 PM at the home of Larry McCarty (10790 Stingray Lane, Cornville, AZ 86325). On Sunday, Oct. 13th, VVV hosts 3 poker runs and a Monopoly Rally. Their host sponsor, Larry Green Chevrolet in Cottonwood, not only provides the starting location, but they also provide lunch for all. Can't beat it for a fun time for all Corvette lovers!

And remember to SAVE THE WAVE!!!
