4th Quarter 2019 Report

Roadrunner Governors and Officers,

It's hard to believe that 2019 is almost behind us! It's certainly been a busy year and we've all enjoyed the events we've seen in our Region. Of particular mention is our 4th Quarter Governors' Meeting at the home of Larry McCarty in Cornville, AZ. This is the first time Bob and I had visited Larry's garage and it was absolutely amazing. We managed to get through the meeting and conduct our business even though we were surrounded by so many fascinating pieces of memorabilia. We saved our inspection of his treasures until we had finished.

At the meeting our secretary Pat Jenkins announced the final tally of our Officer elections – all 3 present officers were re-elected. I informed everyone that DCA had decided to not renew with NCCC for 2020 and was therefore dropping out of the Region. In Bob's report for Competition he informed everyone that the 2020 Competition Manual and Rulebook redline version is now available online, and that NCCC had decided to leave the issue of how often to perform the tech inspections up to each Region's RCD. Our consensus was to have the inspections done before each competition in our Region.

We also discussed the question of whether or not to continue to hold our 2nd Quarter Governors' Meeting via teleconference, and it was unanimously decided to do so. The tentative date of Thursday, April 23, 2020, at 6:00 PM was chosen. Details will follow.

Barb and Bob Johnson and Ron Scott all attended the National Meeting in St. Louis on Nov. 8 and 9.

- The VP of Membership Amelia Workman announced that NCCC had 18,229 members at that point, and urged Governors to get their renewals done on time. NCCC plastic membership cards will be

mailed out on Feb. 1, and any members who are actively deployed will have their NCCC dues waived.

- St. Jude will continue to be the NCCC charity for 2020, and there is currently over \$31,000 in the bank for grants, scholarships and charity. There are funds available for FCOA scholarships, and the applications will be available Jan. 6, 2020.
- Our IT Director Walt Jenkins reminded all Governors that their Members Only password will change on Jan. 1, so they should be on the lookout for that information to come.
- We received an update on the NCCC Convention to be held July 5-10 in Indianapolis. Besides the normal excursions and activities, FCOA will have activities for our younger attendees. The 2021 Convention will be held in Cleveland.

Be sure to check out the Blue Bars article in the next edition – we have photos and information on our Veterans in the Roadrunner Region as well as of the fantastic time many of us had at Corvette Thunder. If you missed this one, be sure to get in on the next one in the Spring!

As we look forward to 2020, the first big event we can enjoy is our Kickoff Event Feb. 14-16 in Phoenix, AZ, hosted by CCA. Event chair Ray Jenkins updated us on the new host hotel as well as the excursions that will be offered. The applications are available on our RR website – I highly encourage everybody to come together for this wonderful event. We will be handing out the awards for 2019 on Saturday evening, enjoy coming together with other Region members, and of course have the opportunity to take part in those raffles! Our 1st Quarter Governors Meeting will take place at the event on Sunday morning the 16th. I'll be sending out the agenda for that meeting the last week of December. Hope to see you all there!

Happy Holidays to all and SAVE THE WAVE!!!
