Roadrunner Governors and Officers,

What a strange year this has been. We have had every Regional Event cancelled or postponed up to this point and events in the future are not looking promising. Our 2nd quarter National Meeting in May was cancelled, the RCDs met on 2 occasions via a Microsoft Teams teleconference, and our Regional Governor's Meeting was just held the same way. We have added to our vocabulary with terms like Coronavirus, Covid-19, and social distancing. Our new way of life consists of buying gas and groceries, wearing face masks and gloves, washing our hands frequently, trying to stay at least 6 feet away from people, online shopping, and having store bought items brought to your vehicle in order to avoid going inside.

In our RCD meetings, the RCDs voted to suspend the National points program for this year. As far as Regional points and awards are concerned, it was decided to let the Regions decide for themselves as to how they would like to handle it. We will be discussing this further at our next Regional Governor's Meeting in October.

The next Regional Event still on the schedule is not until October 10-11th in Verde Valley as all events prior to that have been cancelled. As I receive more updates from the clubs hosting the remaining events, I will keep you informed of their status.

With regards to our insurance coverage, it will be necessary to have waivers signed for any club events which involve a physical presence. This was instituted due to the current pandemic.
