3RD QUARTER 2021 REPORT

Roadrunner Governors and Officers,

As you know our 3rd Quarter Governors' Meeting was held on July 18 at the Great Escape in Ruidoso, NM. Thank you once again to John Bishop and the Phantom Vettes for hosting another fantastic event! We look forward to another terrific weekend in July 2022.

Barb reported on the NCCC By-Law changes that are being presented at the National Meeting to be voted upon by all NCCC Governors. Bob reported that the 2022 Kickoff Event will be hosted by CRCC Mar. 18-20 in Laughlin, NV, and reviewed upcoming sanctioned events in our region for the remainder of 2021.

Ron reported that NCCC membership is steadily bouncing back (more about that later). He also urged all governors that if any new members wish to join their clubs anywhere near the end of the summer to hold their applications until September 1. That way they can pay one fee for the remainder of this year and next year also. He also asked for next year's renewals for all clubs be submitted to him by Nov. 15, 2021.

Debbie's Treasurer's Report showed that our region is in good shape financially and that we will be able to give out awards this year because we were able to have multiple events. She will send out a reminder to all clubs on Nov. 1 that Regional dues are due to her by Dec. 1. We also had a discussion about our Region giving a donation to NCCC for St. Jude or the Scholarship fund. We will discuss this further at our next Governors' Meeting in October.

Barb, Bob and Ron all attended the NCCC 3rd National Meeting in St. Louis on Sept. 10-11. At the RE Meeting the By-Laws under discussion were accepted by all the RE's and will be voted on at the 4th Quarter NCCC National Meeting. Of note is the By-Law change to include a requirement for the 2nd VP of Membership at the NCCC level to set a due date for renewals in ALL regions to their respective governors. The reason for this addition is because having a set earlier deadline for

all makes collecting dues easier for the RMD's, who must submit one check for their Region by Dec. 15.

The NCCC Finance Committee announced that the scholarship fund for FCOA is now being increased from \$1,000 each to \$1,500 each, with NCCC donating the extra \$500 for each of the 8 recipients. They are also checking to see if there is a special form for hardship cases. NCCC now has a total membership of 17,892. The National Convention in Cleveland was a huge success, and the 2022 National Convention will be in Atlantic City, NJ., June 13-18, 2022.

The Finance Committee is also researching insurance companies. Legacy is our current insurance broker, and they are investigating other companies to see if there are any better deals out there with the same coverage.

Here is a reminder of the remaining events for our Region for 2021:
