### **4<sup>th</sup> Quarter 2020 Report**

Roadrunner Governors and Officers,

Once again we've had to have our Governors' Meeting via TEAMS. These days this seems to be the norm – all of our club meetings and Governors' meetings (as well as meetings with other organizations) have been via ZOOM or TEAMS. Even our 4<sup>th</sup> Quarter National Meeting had to be cancelled so each committee had to meet virtually.

Thanks again to Wallace for hosting our Governors' Meeting on Oct. 8<sup>th</sup>. At the meeting we set the TENTATIVE calendar for 2021 with the events we plan (and hope) to have next year in our region. These events are listed in our 4<sup>th</sup> Quarter Governors' Meeting Minutes.

At the RE teleconference in November we continued our discussion of By-Laws changes/updates. All of the By-Law changes which appeared on your ballot were approved, along with the election of new National officers. At this point we do not know if our 1<sup>st</sup> National Meeting scheduled for February in St. Louis will be able to take place, since we will need the approval of the hosting facility to handle a group of our size.

As you know the 2020 National Convention in Indianapolis had to be cancelled, and the committee for the 2021 Convention in Cleveland June 13-18 is already busy planning the activities and festivities. We all hope it can go on as planned!

Fortunately TVS was able to host their annual Corvette Thunder event in Sierra Vista in November. Although we had to skip the Friday evening social as well as the autocross events, it still was a well-organized and enjoyable day for all of us, and it was wonderful being able to see and re-connect with our friends from other clubs. A special thank you to Bill Scott and his outstanding committee!

Another important event has had to be cancelled – our 2021 Kickoff Event scheduled for Jan. 29-31 in Laughlin, NV. As disappointing as this is, we all certainly understand – in light of the circumstances I'm sure many people who really wanted to come were hesitant to commit. The excellent news is that CRCC is willing to take it on in 2022! This is indeed welcome news – they have already put so much work and planning into this, we all sincerely look forward to taking part when things are much more back to normal. Thank you so much to them!

An important announcement is that the deadline for the winter issue of the Blue Bars magazine has been extended to Dec. 15 – so if any club has any photos or information they would send to me that would be greatly appreciated.

I don't know about you, but for New Year's I'll be toasting the end of a strange and stressful 2020 and hoping for a better 2021 where we can once again gather together with our Corvette friends.

Save the Wave as we wave good-bye to 2020!

Barb Johnson
