2nd Quarter 2020 Report

Roadrunner Governors and Officers,

As you know, our 2nd Quarter Governors' Meeting was held via teleconference – I'd like to give a huge thank you to Wallace Ricks for once again setting this up. We had 8 of the 11 clubs participate in the conference, and even though everything has been canceled since the Kickoff in February, we still had several items to discuss:

- We had clarification on the fees and status of a Lifetime Member. While the rule states that in order to become a Lifetime Member one must first be a regular member, a new member may opt to be a Lifetime Member at the same time of joining, but their initial fee is \$335 to cover both. A Lifetime Member who no longer owns a Corvette now becomes an Associate Member.
- With so many cancellations/postponements going on during the pandemic, it is important to let Debbie know of the changes so she can update the website.
- The exciting news is that CRCC is hosting the Kickoff Event for 2021 on Jan. 29-31, 2021, in Laughlin, NV. Stay tuned for more details!
- Ron reminded everyone of the procedures for adding new members, transferring members from one club to another, and also to report any changes of address for existing members.

Normally Barb and Bob Johnson and Ron Scott would have attended the National Meeting in St. Louis May 1st & 2nd, but as with everything else that meeting was cancelled. However, there also are new developments nationally:

- Bob participated in the RCD videoconference on May 1st, and a major point was discussed about national points with so many events being cancelled. After a discussion, the VP of Competition Bill Docherty sent out a motion to count points earned up until the beginning of March, but then suspend the National points until July 1st. With some regions being much harder hit, it seemed the fair thing to do. The majority of RCD's voted to accept this proposal and it was sent on to NCCC President Dale Samuelson. The matter will be revisited at that point. However, if a region wants to continue with their own regional competition points for awards, they certainly can do so.
- Dale Samuelson sent a message to announce that the NCM Bash has now been indefinitely postponed, but the plans are still on for the National

Convention in Indianapolis July 2-10. If this event is cancelled, we will be notified by June 5.

A few reminders for what we HOPE will be happening:

- Our 3rd Quarter Governors' Meeting is scheduled to be in Ruidoso, NM as a part of the Great Escape hosted by PV July 17-19. The meeting is slated to be on July 19 at the Quality Inn in Ruidoso, and PV is providing breakfast for us. In the event that this is all cancelled Wallace has again offered to set up a teleconference. Thank you again, Wallace!
- Our 4th Quarter Governors' Meeting is scheduled for Oct. 10 in the afternoon at Larry McCarty's house in Cottonwood, AZ, as part of an event hosted by VVV. Exact time and address TBA.
- The deadline for articles for the next issue of Blue Bars Magazine is May 31st, and I would love to have any photos and/or information about any charitable or fun things going on with our various clubs!

I know if you're like me and Bob you're getting a little weary of doing all those household projects we've been putting off for so long. It will sure be great when we can get together again with our Corvette buddies from our own clubs, and definitely with everybody in the Region. We'll all keep positive thoughts about traveling to each others' clubs and reconnecting with our Roadrunner friends!
